Subject : Operation Report for Quarter 2 Year 2011

Attention : Director and Manager  
The Stock Exchange of Thailand

ARIP Public Co., Ltd. (“Company”) would like to notify Financial Statement and operation results for the 2<sup>nd</sup> Quarter of year 2011 as at June 30, 2011 compared to 2<sup>nd</sup> Quarter of year 2010 as follows:-

When compared to the same period last year, the Company had total revenue of 55.47 million Baht in Q2 Y2011 which decreased by 11.31 million Baht or -16.94% and the net profit in Q2 Y2011 was 4.09 million Baht which decreased 6.49 million Baht or -61.35%. The main reason of decreasing in total revenue and net profit were from the fact that in Q2 Y2011 the company switched the event “Commart CEMart” which last year held in the Q3 instead of the “Commart X’Gen” which last year held on Q2. The fact that the size of Commart X’Gen is larger than Commart CEMart lead to the decreasing in revenue and net profit if compare to the same period last year.

However, In case we would like to compare to the same period the event “Commart CEMart” took place last year (Q3 Y2010). The company would have total revenue increased 18.87 million Baht or 51.56% and the net profit increased 3.14 million Baht or 332%.

Yours faithfully,

Mr. Manu Leopaiprote  
Chairman of the Board
