

## Dear Shareholders

In 2025, Thailand faced continuous challenges, from the decelerating economy to volatile international incidents, and including natural disasters. These factors directly impacted purchasing power and the business environment across all sectors.

In this challenging environment, the company recognizes the trust placed in us by our partners and all stakeholders. We are therefore committed to continuously develop our service capabilities and user experience to be more intelligent. Including elevating our information security management standards to an international level (obtaining the ISO 27001) to build maximum confidence in data management, coupled with the integration of Artificial Intelligence (AI) technology to enhance the efficiency of our Digital Services. This also includes applying innovation to our data management in important events such as Commart, to ensure service accuracy and maximize the benefits for our business partners. These technological adaptations reflect our constant commitment to stand by and support our customers in achieving stable growth together.

Furthermore, the company has identified opportunities to strengthen its position through investments in specialized startups within the insurance training and skill development service business, aiming to expand its service scope to cover evolving market demands. We remain committed to conducting business under the framework of sustainable development (ESG), focusing on transparency, social responsibility, and environmental balance, to create lasting value for shareholders and the Thai society.

Due to the company's continuous strategic implementation, the company's performance, as reflected in the comprehensive income statement for the year ended 31 December 2025, shows a total revenue of 258.03 million Baht, an increase of 41.84 million Baht or 19.36 percent from the previous year. The company's net profit was 11.17 million Baht, an increase of 2.87 million Baht or 34.55 percent from the previous year.

We would like to express our gratitude to our shareholders, customers, and business partners for their continued trust and unwavering support in the company's operations. We would also like to thank the Board of Directors, management, and all employees for their collective efforts, enabling the company to continue creating value and developing the organization sustainably.
